As a matter of fact, you will get to meet the entire team of therapists at our annual training held each August. It's all about family and networking that promotes your success! Our CF program exceeds NC and ASHA requirements because your success is our patients' success! We provide a listing of our top needs online, but there are also unadvertised needs that may be of interest. Full time employees enjoy a comprehensive compensation and benefits package that offers 10 or 12 month pay options and enjoy approximately five weeks of paid time off per year. Contact us to schedule a time to meet our family.
